

ECKLEYKINDER NEWS

Hebron Valley Elementary School

Week of September 10 - September 14, 2018

This Week We Celebrate Patriot Day

On Tuesday we will discuss "National Patriot Day." Please know parents that I do not go into the details of the significance of 9/11. We appropriately celebrate by making red, white, and blue "Patriot Flags" that we place in front of the school to honor the heroes of 9/11.

Last Week At-a-Glance ...

We worked on writing our names and the alphabet correctly, the letter "B", what a scientist is, why we establish rules and governing bodies and lots of number sense. We continued working on the days of the week, the date, numbers out of sequence, and the various types of equipment a scientist uses, as well.

All About Me Project ...

Our first homework assignment is due back in class on Monday to complement our very special "All about Me" week. If you have not already done so, please complete the "I'm an Awesome Kindergartener" sheet and return it in your student's folder for them to share with the class. Please be sure your student's name is on the project. Also, an "All about Me" bag activity was sent home last week and is now due back. On one side of the bag student's will draw and color a self-portrait silhouette. Students will then fill the bag with three special items of importance to them to help our class get to know each other better. Instructions were provided with the bag and are also posted on the refer to the "hot topics" section of our classroom website. Please contact me with any questions.

Headphone Reminder ...

As mentioned in the "Welcome to Kindergarten" packet, students need a set of personal headphones for the listening center and for use with technology. Please be sure to label the headphones with your student's name.

** Please remember to sign your student's life skills sheet located in their blue folder each day.*

** Please send a water bottle daily with your student to ensure they keep well hydrated throughout the day, especially at recess.*

... In the spotlight:

Student of the Week: Our student spotlight of the week this is **Bayli** because she is sweet and thoughtful to her classmates! I have caught her often performing random acts of kindness for others. She is responsible, works hard, and an absolute joy to spend our days with! Thank you **Bayli** for being such a positive force in our classroom!
