Hebron Valley Elementary School

Week of September 24 – September 28, 2018

This past Saturday was the Autumnal Equinox which is the day the Northern Hemisphere begins facing away from the sun. In other words, **HAPPY FALL Y'ALL!** We

will be talking about and celebrating the change of season by beginning our new unit on the main aspects of fall. I would greatly appreciate any donations of apples (red, green or yellow) that you would care to contribute which will be utilized in our study of the autumn season.

30 Year Anniversary ...

This year we are excited to celebrate the 30th Anniversary of Hebron Valley Elementary. This coming Thursday, Sept. 27th, the entire student body and staff of our campus will be posing for a special 30 Year Anniversary commemorative photo. We ask that students wear black-colored clothing and this year's school T-shirt if available. We will also be celebrating our 30 year anniversary in conjunction with this year's campus carnival in a couple weeks. I will be sending additional details as we get closer to that event.

Family Project ...

This week I will be sending home our next family project. The activity involves helping your student "fill out" family information which will be used for an engaging in-class lesson. Be on the lookout for the family demographics data sheet in your child's folder. Information will also be posted on the classroom Website. Please complete and return this activity as soon as possible so we can conduct the in-class lesson next week. Thank you.

Lost & Found Overflowing ...

Please remember to label your child's items with their name including lunchbox, water bottle, jackets, etc. to help facilitate reuniting lost items with their owner.

** Please remember to sign your student's life skills sheet located in their blue folder each day. Please also make sure your child has a water bottle every day!*

... In the spotlight:

Student of the Week: Our student of the week is **Simon** because he is a good friend to those in our class and a very hard worker as well. He helps with the classroom duties and can often be caught doing the right thing without being asked. He is a quality young man with whom we are grateful to share kindergarten. Keep up the great attitude, **Simon!**
