Hebron Valley Elementary School

Week of November 12 - November 16, 2018

## Happy Thanksgiving ...

I wanted to take this opportunity to let my students and their families know how grateful I am to have you in my life. I am blessed with having kindhearted and thoughtful people to spend my days with and I want you to know I appreciate you. Thank you for all of the help and support you provide from home, as well as the thoughtful gifts and gestures you bestow on me regularly. When I contemplate my blessings this Thanksgiving season, I count you all among them. I wish you a peaceful and festive holiday full of memories with your families.

## Parent Homework ...

Thank you to all those parents who have already completed and returned your "homework." As a reminder, I am asking that these be returned by Tuesday, November 13th so all of the students can participate at our classroom celebration this week. If you wish, you can email the homework to me.

## Disguise the Turkey Due on Wednesday ...

As a reminder, the "Disguise the Turkey" project is due by Wednesday, November 14th. This project coincides with our reading of the book "Turkey Trouble" which can give you some disguise ideas. Project instructions and the turkey template can be found on the Hot Topics section of the classroom Website if you need a copy.

## Fall Parent Conferences ...

I will be meeting with parents for fall conferences again this week. Conferences are optional, but I want everyone to have an opportunity. During conferences I will be able to discuss scores (UMI, DRA, and report cards) and overall progress. Please contact me for a convenient time or consult our classroom Webpage for a direct link to schedule your conference on-line. Please contact me if you have any questions, or if you need any help scheduling a conference.

*\* Please remember to sign your student's life skills sheet located in their blue folder each day. Please also make sure your child has a water bottle every day!*

## ... In the spotlight:

**Student of the Week:** Brielle is our student of the week because she has made great strides excelling in our Kindergarten Curriculum. As a classmate she is thoughtful and a team player. I am proud of her continuing role as a quality student in our class. **Nice work Brielle!**
