# 100 DAYS OF SCHOOL!

This Friday (Jan. 25th) is actually the 100th day of Kindergarten! However, we will be celebrating with special lessons and activities all week. Attached to this newsletter is a note

pertaining to an edible snack activity that we will be doing on Friday. Each family is being asked to provide one item (listed on note) for the class to share on their "100 mats." Please provide at your earliest convenience. Also, I sent home the "Make a 100-item Cape" project last week; we will be wearing these capes **TO** school this Friday, please, please send your student **TO** school in their cape! For convenience I have sent some dentist "bib ties" in your student's folder. If you choose not to use the ties, some parents tie them with double knots; some secure them with packing tape, others with ribbon...be creative! On Friday we switch to each of the Kindergarten classrooms for a fun and educational 100th Day activity, it truly is a very special day! Please contact me with any questions.

## Multicultural Celebration This Week!

A reminder that our annual Multicultural Day is Thursday, January 24th. A student Multicultural Parade will take place on campus from 8:15 am to 8:45 am. Multicultural Night is from 6:30 pm to 7:30 pm.

## Another Week of Snow in Our Classroom!

This week we will continue our month long "Snow" unit to study our winter-based curriculum in Reading, Math, Language Arts, and Science. We will finish reading our snow-based books as well as our regular reading stories. I hope some of you were able to witness the big snowflakes that fell early Saturday morning!

## Reading and Sight Word Logs!

Last week we started our reading and sight word programs which involve the students writing their sight words one time each night and reading at least 30 minutes per week. The logs are due every Friday morning with a parent signature. These logs are essential to our reading and writing acquisition.

*Please remember to send your child to school with appropriate seasonal outerwear. Also remember to sign your student's life skills sheet located in their blue folder each day. Please make sure your child has a water bottle every day!*

## ... In the spotlight:

### Student of the Week:

Our student of the week is **Brody** because he is working hard to meet the demands of Kindergarten. He is a clever young man who is both funny and smart, and he has many insightful ideas to share with the class. He had a really great week last week! Keep up the good work **Brody**.
