## Daily Homework Expectations ...

**Sight Word Log + Sentences:** Starting this week we will be **adding sentences** to our sight word log. On the reverse side of the sight word log there is a place for students to write one sentence each night (Mon. thru Thurs.) utilizing at least one of the week's sight words. As a parent you may help them should they need it, but the sentences need to be written by the student. There is a bonus line for extra points.

**Reading Logs:** Reading logs are handed out each Friday afternoon. The students are requested to place these in their red folders and fill out each night as they read. A minimum of 30 minutes is required each week. A copy of the reading log can be downloaded from the reading section of the classroom Website should you need it. These are due Friday morning with a parent signature.

**Istation:** Istation is an award-winning, comprehensive e-learning program that offers a suite of research-based reading assessment and instructional tools which allows you to monitor your student's progress from home. Please have your child work on Istation a minimum of three times per week. You can access Istation from the link for our classroom Website or you can download the app from iTunes or Google Play.

**Please support me from home by completing these valuable independent practice homework activities.**
