Mrs. Eckley's Kindergarten Class News

Hebron Valley Elementary School **Week of May 8 - May 12, 2017**

No matter how it is said, I felt so appreciated last week with all of your cards, gifts and flowers, thank you! I am thankful for all of the kind words and generosity you showed me. From the delicious treats to the thoughtful handmade gifts to the awesome lunch from the PTA, everything was wonderful and I enjoyed every kind gesture.

Family Measuring Project

Last week I sent home a packet with a letter explaining the family measuring project. Please continue to help your student complete the three activity sheets ... you may help your student measure, but please let them complete the activity sheets. They are due back to class on or before next Monday, May 15th.

18 Days and Counting Until Summer Vacation

Even though we are counting down to the end of the school year, parents please encourage your students to continue to focus here at school. We are "prepping" daily for the first grade and I need them to hang with me so we can make the transition to next year smoother.

Consonant Blend Brochure Connection …

We are continuing this activity this week, please continue to complete the "home connection" portion of the brochures each evening with your student.

End of the Year Party…

The end of the year party will be held on Wednesday, May 31st, please contact Mrs. Cloutier if you can help or she needs you to come to the party to lend a hand. The time will be announced closer to the date.

Spring Parent Conferences

If you would like to status about your child's grades, assessments, behavior, or any facet of your child's progress, please sign up at SignupGenius from the link in our "Hot Topics" section of the Classroom Website. Please contact me with any questions.

* Please remember to sign your student's life skills sheet located in their blue folder each day.
* Students need a water bottle every day for recess, PLEASE!

Person of the Week: The persons of the week this week are all of the wonderful moms of the students in our class! I would not have been as successful as we were this year without all of your support and help from home. From the assistance that you give me on reading to your child, reviewing their sight words, and writing their sentences to making sure they have everything they need to be ready to learn, thank you! Happy Mother's Day to a group of truly amazing moms!
